Professional Summary

Results-driven Graphic Designer with 4+ years of part-time remote experience creating high-converting visuals and cohesive brand identities for international e-commerce markets. Having successfully completed my academic studies, I am now actively seeking a full-time role to dedicate my full professional capacity. Specialized in high-end product retouching, social media asset creation, and advanced AI design workflows. Proven ability to deliver hyper-realistic visuals and maintain premium brand aesthetics across global digital platforms.

Core Competencies & Skills

- **Design & Visuals:** Brand Identity, High-End Product Retouching, Photo Manipulation, Apparel Lookbooks, Typography, Social Media Creatives.
- **Software & Tools:** Adobe Photoshop, Adobe Illustrator, Premiere Pro, CapCut.
- **Workflow & Innovation:** AI Prompt Engineering (Midjourney, Gemini), AI Image Realism Optimization, Design Workflow Automation.
- **Additional Technical Skills:** E-commerce Visual Management (Shopify, WordPress, WooCommerce), Basic Web Layout Understanding (HTML/CSS/JavaScript).

Professional Experience

Graphic Designer & Image Retoucher *Masori | Germany (Part-Time, Remote) | January 2025 – Present*

- Manage the end-to-end product image workflow, performing high-end retouching on 500+ photos to elevate the website's premium and trustworthy look.
- Develop social media visuals aligned with strict European design standards, enhancing the brand's international online presence.
- Streamline high-volume visual data processing and product uploads, maintaining rigorous quality control and 100% aesthetic accuracy.

Senior Graphic Designer *Noras Bridal Boutique | United States (Part-Time, Remote) | February 2023 – December 2024*

- Designed over 300+ marketing assets and promotional materials, directly contributing to increased social media engagement and brand visibility.
- Directed the visual identity of the online store, maintaining a consistent, professional, and premium aesthetic across all digital touchpoints.
- Executed strategic visual updates for products and managed Facebook marketing creatives to drive online sales conversions.

Digital Graphic Designer *Vista Branded | United States (Part-Time, Remote) | January 2021 – January 2023*

- Designed compelling e-commerce visual assets, including comprehensive apparel lookbooks showcasing multiple complex color combinations to enhance product presentation and drive buyer interest.
- Utilized advanced AI workflows for image generation and high-end retouching, meticulously correcting artificial facial features, fixing blurry backgrounds, and ensuring hyper-realistic visual standards for marketing campaigns.
- Streamlined the production of digital assets by automating repetitive design tasks, reducing project turnaround time by 30% while maintaining a clean, high-contrast brand aesthetic.
